THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 1995-1192-E - ORDER NO. 2013-183  
MARCH 29, 2013

IN RE: Proceeding for Approval of the Public Utility     ) ORDER APPROVING  
Regulatory Policies Act of 1978 (PURPA)             ) REVISED SCHEDULE PP  
Avoided Cost Rates for Electric Companies         ) (SC)

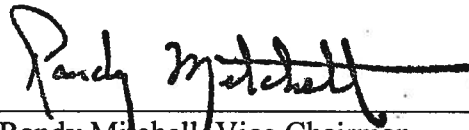

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Petition of Duke Energy Carolinas, LLC (“Duke”) for approval of its Revised Schedule PP (SC). The Revised Schedule PP (SC) has been updated to reflect Duke’s current avoided cost projections. Under this revised tariff, customers entering into new purchased power contracts with Duke will have the option of a fixed or variable rate. The Commission finds that the Revised Schedule PP (SC) is in the public interest and therefore approved, with an April 1, 2013 effective date for the revisions. This revised tariff is put into place without notice or hearing, pursuant to S.C. Code Ann. § 58-27-870(F), since it will not result in a rate increase to the electric utility. Duke shall file the revised tariff using the Commission’s E-Tariff system.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

  
David A. Wright, Chairman

ATTEST:

  
Randy Mitchell, Vice Chairman
